HOME MISSION.

A Chance To Do Some Good Toward Your

Own Fellow-Men.

Do you want a share in doing good? Do you want a share in doing good? The First Ward Mission needs money with which to per necessary expenses. If you will investigate its work among that cless of men, women and children, who through powerty are deprived of even the actuel needs of life, for three even the actuel nects of life, for taree years past, you will find that not only many human beings have been brought to live truer and better lives, but that spark of divinity, which is loherent in every being, has been fanned into coals of living fire, and the intelligence, the physical natures and the spiritual sides physical natures end the spiritual sades have been raised up, improved and made to shine as only the power of God Almighty cen polish.

Looking to thet end—which is two-fold—the ledy paironesses having in charge this work have determined upon

charge this work have determined upon giving you full velue for the mite you contribute, which will cause you to thauk them. The musicole, which will take place Monday evening, June 28th, promises most cherming things. The program as arranged is versatile, touch-lies the hellitate accommodate to Chonica. program as arranged is versatile, touch-ing the brilliant as composed by Chopil and interpreted by Mies Wadsworth upon the piano, diverging into the sublimely beautiful as bird-like voiced Miss Wheeler soars into the regions of a Mendelssohn to give us glimpses of a symphony set to words, agein to be cerried on cloudlit skies of harmony

cerried on cloudit skies of harmony indescribable as Miss Rogers greeefully bows her violin to rapturous melody. But stop! The program is but half finished. Enough cajoling and fun-making intersperses the numbers, which making intersperses the numbers, which give spice and zest to soulful sounds, and Miss Suzanne Hall, fresh from contact with teachers skiljed in elocutionary art, shares the honors with Miss Rogers in recitetions, funny, tine and fancy, while a new light gleams amld this gelaxy of a new light greams amid this genary of culturted persons and shines for the approval of a critical audience—Miss Lehman of Indiana, a pupil of Mrs. Fox of Chicago, a lovely girl in face and form, who has a voice like the clear notes of a flute, and who won the medal notes of a lute, and who won the medal in a slighing connerts a tory of Music. And to wind up the whole a quartette of local singers will blend their volces in new effects until you'll think the chimes are rizging weapers for His service. The whole will cost you 35 cents. Now won't you go?

FLOTSAM-JETSAM-LIGAN!

NEWSY NOTES FROM NATURE'S GREAT BIGHWAY.

Eyesight

Is of such great value that one ought to take more than ordinary precautions to guard against every possible trouble.

If you have even a remote suspicion that there is any trouble with your eyes it will be for your own best interests to have your vision tested and trouble, if any, re-

woved.
Very simple troubles may develop serious results if not properly treated.
Ordinary failing eyesight receives our most careful attention, both as to glasses and frames.

and frames.

It's just as important to have the right frame as the right glass, and from our large stock we can give you the correct thing in either Gold, Silver or Steel.

We make no charge for examinations, and if yours is a case requiring the services of an oculist we will frankly tell you so.

you so.

The Difference.

The Difference.

He made a careful examination of the 186 and the 97 wheels, marked respectively \$59 and \$100 and could detert no difference between them.

"These wheels seem to be pretty much slike," he remarked to the salesman. The '07 model has exactly the same wind of frame as the '96 one, hasn't it?"

"Yes," answered the salesman.

"The tubing is just the same?"

"It is."

"It is."
"There is no difference in the aprocks
wheels?"
"None."

"The hubs ere alike?"

'Yes.''
'The tires are of the same make?'

"The tires are of the same make?"
"They are."
"There is no change in the handiare this year?"

"And the rims, spokes end pedals are alike in both wheels?"

"Yes."
"Weil, then, what is the difference be tween the two wheels?"
"Fifty dollars."

woman's Deck D

WE'RE FOR AMERICARAMERICANS

ETGENE V. DEBS declared in an inteview that the Free-sliver wave had receded to such an extent that it was dead issue. Now, if Free-sliver could only rise up long enough to retaliate by declaring that EUGENE V. was a dead DEBS, the country might have peace.

THE International Typographica Union opposes the application of Civil Service Rules to Government Printing Office employes. But what does to Typographical Union know about such matters? And what right has it to question the practical wisdom of such great and good men as Mister CLEVE LAND, Mister PROCTER and their feilow

AT Frankfort Circuit Judge CANTRIL decides that the \$500,000 bond issue about to be made by the state under recent inglisiative act for the paymen of the outstanding asylum warran wili be unconstitutional and invalid From which it may be inferred that Judge Cantrill thinks it "unconstitu tional" to pay one's honest debts. Pitthere wasu't some way to declare half the Judges and lawyers unconstitu tional and the other half damfools.

Onio is moving in the direction of etamping out the un-American Civil Service Law. In a recent interview Secretary of State CHARLES KINNEY

"My objection to the present Civil Service Law is due primarily to the fact, as I believe, that it is hostile the spirit of our political institutions. It is, to the spirit of our political institutions. It is, to its enforcement, nurreasonable and unjust. Fractical experience and demonstrated ability do not enter into one's recommendation for preference, as an educational test is the only pre-requisite to securing appointment. The purpose of the law was to secure a more efficient public service, but there has been no such advancement in that direction as to justify its continuance. Another objection lies in the fact that, as this is purely a demonstrate Governance. Author Objection from the first as this is purely a democratic Government, in which every citizen has an equal interest, such inws have a tendency to cause a great number of citizens to lose interest in the result of its

and were giving morely a democratic Government, in which every citizen has an aqual interest, such laws have a tendency to cause a great number of clit.

The Nieholasville Democrat says that
Jessamine county has one farmer who,
with a boy, cultivates 80 acres of wheat,
30 acres of one, 80 acres of hemp. 8 acres
of corn, 80 hills of watermelons, 100 hills
of muskmelons, 4 acres of sorphum. He
employs help only at harvest.

THE FRENCH WAY.

No Crowding of Omnibuses or Cas Permitted in Paris.

On all the streets of Paris one of the characteristic of Paris. The Parisian committee system, by the way, is an ex-cellent one when you understand it But you usually have to be put off a hus-two or three times before you appreciate its merits. In time you discover that the its merits. In time you discover that the vehicles atop regularly at little stations, where those who understand the system obtain hits of pastchoard bearing numbers in the precise order of their application for them, entitling them in the same tion for them, entiting them in the same order to the vacant scale in the busses as they arrive. These little stations be-ing not far apart, it is a matter of no dif-dutity to obtain these numbers, and when that is done the system secures, as This afternoon at 2:30 the Y. M. C. A.

Saseball Club will play a game with
the Mt. Olivet team at East End Park.

It is the bust opposite the little

uperior knowledge of the game, and
there are numerous sealps dangling from
helts.

stell' numbers are called, take the vastell' numbers are called, take the va-The team has some extra good players on its roster, and Captain Young says he intends playing his best nine here.

Everyhody knows what the Y. M. C.
A. team is composed of and it needs no commendation at our hands.

This will.

A team is composed of and it needs no commendation at our hands. And now let me mention another feaths will be the best game by far that the commission of the following waystem which I think asset been played this ease on a Mayaville, and a large crowd should go out to with the comments of the comment and each street car la Paris-for the street car system is practically the same is built to seat—so to earry, mind you, but to seat—a certain number of persons, players on the list, Just look over the line up of the two clubs:

Presenting the Congratulations the American People

a the 60th Anniversary of Her Acces to the Three-Jubite Henors Co-ferred-Royal Bonsshold Pres-ents to the Aged Queen.

ents to the Aged Queen.

LONDON, June 22.—The bow drawing room, in which the anvoy were received is e large room heavily ornemented with gilt and hung with alik. Two yeomen of the guard were on the state of the st

ed by the papal envoy. Mgr. Sambu-etti.

All the envoys presented their let-ters with the lowest obelsance. The queen took each letter and smilingly addressed two or three sentences of thesis and compliments to exchange in the most cordin menner possible. Her mejesty expressed her sincere thanks to President McKinley and to "the great nution of our kins-men."

After Mr. Baid hul retired, he strolled about the pelace a little and went home at 4:15 p. m.
LOMDON, June 22.—President McKinley has sent the following personal letter to Queen Victoria, which was delivered to her by Mr. Whiteiaw Reld angels approx:

was delivered to her by Mr. Whitelaw Reid, special envert.

To her majesty Victoria, queen of Reid, apecial envert.

To her majesty Victoria, queen of read and envert.

To her majesty Victoria, queen of the United States, I present their shame and on behalf of the people of the United States, I present their shamen end on behalf of the people of the United States, I present their shamen of the Common of t

has been somiting on white discontinuous consistency. The duke and dushess of Coburg, the duke and dushess of Conraysh, Prince, and Princess Christian, the marquis and marchioness of Lorse, and the inchesses of Albany and Satemberg have unked in a gift to har majusty of a long shate of dismord links with an imperial crown in three consistency in the consistency of the con

ABOUT THE OTHER FELLOW.

The Grenadiers of the famous "Old

The Grenadiers of the famous "Old Guard" will never be forgotten in France as long as the memory of hrave men shall live in the National heart. But some of them, at least, were as bright as-they were brave, as the following trust worthy anecdote hears witness:

One fine morning, after peace had been concluded between France and Russia, the two Emperors, Napoleon and Alex-ander, were taking a short walk, arm in srm, around the palace park at Erfurt. As they approached the sentinel, who stood at the foot of the staircase, the man, who was a Grenadler of the Guard, presented arms. The Emperor of France OUR AGENTS turned, and pointing with pride lo a constitution of the following are authorized Agents for Public Leonaria their respective loosi-

"And you," answered Alexander "what do you think of soldiers who can indict them?"

Without stirring an inch from his posi-

tion, or changing the expression of his face in the least, the stern old Grenadier elf replied bravely

"The man who did it is dead "
